

## 2017-2018 AFTERCARE PROGRAM

We are pleased to offer Aftercare for our students in **Kindergarten** through **Eighth Grade**.

The atmosphere is enjoyable, structured and safe. To provide the best care possible, it is important that we know how many children will be in Aftercare on any particular day and period of time. We understand that circumstances arise and we will be as flexible as possible.

Each day in Aftercare, students will be provided with a kosher, healthy snack and time for homework. When not working on homework, students will have the option to do art projects, play games, read, or just spend time with their friends. We will spend time outside and on the playground as often as weather permits.
