

Set up a Tribute Bank with Mirowitz

Q: What is a Tribute “Bank?”

A: It’s an amount of money that Mirowitz can hold for you. When you want to send a tribute in honor or memory of someone, money is simply deducted from your account.

Q: Why would I set up a Tribute Bank?

A: If you are like many, when there are life cycle events (birth, death, honor...etc) you like to send a tribute to acknowledge that event. Such a thoughtful gesture!

Also...you are busy, busy, busy and anything that helps save time is appreciated.

Q: How do I set up a Tribute Bank?

A: Simply write a check to Mirowitz for the desired amount (minimum of \$100) and send to Margo Newman, 348 South Mason Rd, St. Louis, MO 63141. Anytime you want to send a tribute, all you have to do is call or email Margo (576-6177 or mnewman@mirowitz.org) with the tribute information, dollar amount and the money will be automatically deducted from your account. We’ll take care of the rest! You can also make a tribute online at: www.mirowitz.org/support

For more info on Tribute Banks, contact Margo Newman at mnewman@mirowitz.org
