

Aftercare Billing

Aftercare fees must be paid prior to use of Aftercare services. Please register in advance for aftercare at www.mirowitz.org/aftercare-registration.

Families wishing to utilize Aftercare at Mirowitz are required to keep a credit card on file in order to accommodate billing for occasions in which a family uses aftercare for last-minute drop-ins, late pickups, or extended sessions.

Your credit card will be charged for aftercare use that has not been pre-paid through our registration site. Additional charges could include but are not limited to:

1. Late pickup
2. Extended hours
3. Unplanned drop-in

Please print and complete this page, and return to the front office:
