

Crazy 8s Math Club

Grades 3-5

Join Morah Shannon for Crazy 8s Math Club, where you'll build, jump, make music, and make a mess! It's a totally new kind of math club. We will read a math story and then make memories with awesome math centered activities.

Weekly Sessions:

Glow-in-the-Dark Geometry: Make geometric shapes using glowsticks. Lay out the sticks to create mystical repeating patterns.

Bouncy Dice Explosion: Your big chance to throw things because you are supposed to. Find out the probability of rolling a 2 or a 5, then try to be the winning chip on a giant human bingo board.

Spy Training: See if you have what it takes to be a spy. You'll break different codes for clues to find the hidden treasure!

Cowabunga: Play with numbers as you become fence-hopping cows and make up patterns to jump over the fence. Try to wrangle cows into fields with fences of different sizes. Can you fit them all in?

Crazy Card Club: Crazy 8s isn't just the name of our club, it's also a famous card game! Learn how to play it and other fun games using a deck of cards you get to keep.

Daring Darts: Supersize the fun in this giant game of floor darts! Once we learn how to keep score, we'll use hacky sacks to play a few rounds.

Pixel-Palooza: It's hip to be a square! Create large pixelated pictures out of post-it notes. Dream up and plan out other creations and see if you can build them.

Toilet Paper Olympics: Bet you never knew sports and toilet paper could go together, huh? Put your Olympian skills to the test in the shot put, long jump, and relay race events.

\$120 per student, please make checks payable to Mirowitz.

Minimum 10 students/maximum of 14 students

Course Time: Wednesdays, 3:40 PM - 4:30 PM (students will be dismissed for Crazy 8s at 3:40).

Wednesdays, January 8, 15, 22, 29. February 5, 12, 19, 26*

*In the event of a snow day, sessions will extend into March.

Please contact Morah Shannon to reserve your spot by **December 13.**

No late registration accepted.
