

## Set up a Tribute Bank with Mirowitz

Q: What is a Tribute “Bank?”

A: It is an amount of money that Mirowitz can hold for you. When you want to send a tribute in honor or in memory of someone, money is simply deducted from your “account”.

Q: Why would I set up a Tribute Bank

A: If you are like many, when there are life cycle events (births, death, honor... etc) you like to send a tribute to acknowledge that event. Such a thoughtful gesture! Also, you are busy and anything that helps save time is appreciated.

Q: How do I set up a Tribute Bank?

A: Simply write a check to Mirowitz for the desired amount (minimum of \$100) and send this to [Carrie Gent](#), 348 South Mason Road, St. Louis, MO 63141. Anytime you want to send a tribute, all you have to do is call or email Carrie (314-576-6177, [cgent@mirowitz.org](mailto:cgent@mirowitz.org)) with the tribute information, dollar amount and the money will be deducted from your account. We will take care of the rest! You can also make a tribute online at: [www.mirowitz.org/support](http://www.mirowitz.org/support)
