

## Set up a Tribute Bank at Mirowitz

**Q: What is a Tribute Bank?**

A: A Tribute Bank is an account with money that Mirowitz holds for you. When you want to send a tribute or memorial, the dollars you specify are deducted from your account.

**Q: Why would I set up a Tribute Bank**

A: You are busy. A Tribute Bank makes it easy for you to quickly acknowledge lifecycle events and celebrations, and to let your friends know you are thinking about them.

**Q: How do I set up a Tribute Bank?**

A: Simply write a check to Mirowitz for the desired amount (minimum of \$100) and send it to:

Development Office  
Saul Mirowitz Jewish Community School  
348 South Mason Road  
St. Louis, MO 63141.

When you want to send a tribute, simply call or email Alex (314-576-6177 or [adyer@mirowitz.org](mailto:adyer@mirowitz.org)) with the tribute information and dollar amount, and the money will be deducted from your account. We will send notification to the recipient and to you.
