**SPACE IS LIMITED!**

Embark on an around-the-world cultural adventure - explore far-off places and learn about the people who live there, from the Americas to Polynesia, from the cosmopolitan to the countryside. Experiment with Crayola® products, while trying art techniques developed by local artists and artisans. Make different masterpieces each week such as drums, masks, canvases, gift bags, buses, and more! Bring the unique creations home and build a globally-inspired art gallery.

### Aboriginal Dot Art - Australia

We are going to the Land Down Under! we will pass on our personal tales by painting with the dot art technique used by Australia's aboriginal peoples.

### Rattle Drums - China

We will learn the importance of movement and flow with a calligraphy-style brush technique. We'll preserve Chinese characters on a rattle drum, called a Bo Lang Gu, to play at home!

### Imperial Jeweled Eggs - Eastern Europe

Over 100 years ago, the czar had the jeweler, Fabergé, create ornate egg-shaped gifts with precious metals and gems. We will learn how to design and sculpt an *eggs*-travagant gift of our own!

### Block Print Wallpaper - Europe

Block printing concepts from the east were brought to the west, and the art of wallpaper began in Europe. Let's design and print our own block patterns.

### Mud Art - Côte d'Ivoire

Let's take a closer look at textiles and their designs. We'll use stencils of creatures that are meaningful to the people of Korhogo to create a wall-hanging using earthen colors.

### Animal Sculptures - Mexico

Let's go to Oaxaca, Mexico and learn the story of the alebrije dream and how it unleashed a whole new art form. We'll blend fauna and flora into amazing animal sculptures.

### Tiki Masks - Polynesia

The people of the Polynesian islands created "tikis", or carvings. We will think about our connections and design tiki masks for our homes.

### Truck Art - Pakistan

The roads of Pakistan are full of decorated vehicles, each one made to its driver's liking. We will observe the basics of Pakistani truck art, and apply what we learn to create our own.
