

# XXVII Math Kangaroo Competition in USA

For students in grades 1 through 12

**Date: Thursday, March 21, 2024**

All students are given recognition and gifts for participation. Over 6 million students participate in Math Kangaroo competition worldwide.

**Registration:** September 15, 2023 till December 15, 2023

**Website:** [www.mathkangaroo.org](http://www.mathkangaroo.org)

**Email:** [info@mathkangaroo.org](mailto:info@mathkangaroo.org)

## After school Enrichment:

This year we will be offering a 10-week prep course, taught by Mirowitz parent *Anatoliy Belaygorod, PhD*. Anatoliy has taught advanced mathematical finance courses at Washington University for 15 years and is happy to share his love of math with our young bright minds.

Students will sharpen not only math and logic skills, but also get introduced to the test format and test strategies.

Classes will be held on Mondays 3:30-4:30 on 11/13; 11/27; 12/4; 12/11; 01/08; 01/22; 01/29; 02/05; 02/12; 02/26

The cost is \$150 for 10 sessions. **Anatoliy will be donating 100% of the fee back to Mirowitz.** It's a win-win for your child and for Mirowitz.

While Math Kangaroo testing is opened to all ages, the prep course is limited to 20 children grades 3-6.

Please email Anatoliy directly at [belaygoroda@msn.com](mailto:belaygoroda@msn.com) to register. If you have questions or special circumstances, he will do his best to accommodate.

Last year we had **7 students who ranked top 3 in the state** in their age group. We can do even better this year!!!

## Test Registration:

As last year, we are pleased to host Math Kangaroo testing at Mirowitz on Thursday March 21st, 2024 after school. Registration is limited to 25 kids and it closes on December 15<sup>th</sup>.

1. Go to: [MATH KANGAROO REGISTRATION PAGE](#)
2. Log in with your login and password or establish your user account if you are new.
3. Click on the tab Catalog, browse the centers by State and register to Mirowitz center using PRIVATE code "**MOCREVE0001001@2024MK**".

Once your child is registered, you can enjoy free Math Kangaroo video solutions and access full questions and solutions sets with 50% off. Instructions on how to find the discount codes are [HERE](#).
