ROOTS & wings

A MIROWITZ celebration

SUNDAY, MARCH 30, 2025

The Reverie in Chesterfield

CO-CHAIRS April & Matt Levison, Jessica & Jacob Mirowitz and Michelle & Mike Rosch

This incredible night of celebration, connection, and giving reflects the mission of our school – to provide a foundation of strong values and knowledge (roots) while empowering students to explore, dream, and achieve (wings). Funds raised from this event will directly benefit our programs and ensure we can continue to nurture the next generation of compassionate, confident leaders.

Each year, Mirowitz's biggest fundraiser brings together 300+ community members to celebrate St. Louis' only pluralistic Jewish independent school. We will honor Mirowitz visionaries, as well as the faculty and staff who have worked tirelessly to plant the roots from which Mirowitz students grow to become life-long learners and leaders who apply Jewish values to all aspects of their lives. Please join us as a sponsor!

OUR HONOREES

The evening will feature a special tribute to these remarkable honorees who embody the values and vision of our school:

Patty Bloom will receive the *Kranzberg Visionary Award* for her exceptional leadership and commitment to advancing our school through engagement and community involvement.

The Siteman/Garland Family will be honored with the *Community Service Award*, for their outstanding contributions to strengthening and enriching our community.

We will honor these faculty and staff who are celebrating milestone years at Mirowitz:

20 years **Becky Lerner**

10 years **Gary Lerner**

5 years **Elona Neece**
Roxana Lichtman

About Saul Mirowitz Jewish Community School

Mirowitz is much more than a place of academic excellence. It is a place where children grow to be socially responsible, where ethical leaders are nourished, and where Jewish learning inspires children to find strength in their heritage.

Your gift to our annual Mirowitz Celebration makes it possible for Mirowitz to provide an education that is on par with the nation's best independent schools, one that applies the latest neurological research and technological advances to classroom methodologies. Just as much, your sponsorship allows us to cultivate a generation of Jewish leaders who feel empowered to participate in Jewish life today and to be builders of Jewish life tomorrow.
