

# Discover the Magic of SAND DRAWING!

Join artist **Elzara Yusufova** for a unique and calming art experience where children create beautiful images using just their hands and sand.

This creative course helps develop fine motor skills, encourages imagination, and promotes focus and relaxation. Each session offers a gentle, hands-on way for kids to express themselves while exploring patterns, movement, and storytelling through sand.

**13-WEEK COURSE**  
**THURSDAYS K-5 \$290 PER CHILD**
