CO-CHAIRS Galia Movitz, Carol Rubin and Pam Shifter

Our gala is a joyful evening that brings together parents, grandparents, alumni, faculty, and friends in a shared celebration of our students and our mission. This signature fundraising event is a powerful night of community, generosity, and purpose. Proceeds directly sustain the programs and experiences that define our school, from academics and the arts to Jewish life and experiential learning, ensuring every student has the opportunity to learn, grow, and lead with confidence and compassion.

Each year, Mirowitz's biggest fundraiser brings together 300+ community members to celebrate St. Louis' only pluralistic Jewish independent school. We will honor Mirowitz visionaries, as well as the faculty and staff who have worked tirelessly to plant the roots from which Mirowitz students grow to become life-long learners and leaders who apply Jewish values to all aspects of their lives. Please join us as a sponsor!

OUR HONOREES The evening will feature a special tribute to these remarkable honorees who embody the values and vision of our school:

Francine and Harvey Cantor

will receive the *Kranzberg Visionary Award* for their exceptional leadership and commitment to advancing our school through decades of service, advocacy, and wholehearted support.

Scott Biondo and the Creve Coeur Police will be honored with the *Community Service Award*, sponsored by the Marshall and Sara Myers Family, for their extraordinary collaboration, responsiveness, and leadership in protecting and strengthening our school community.

We will honor these faculty and staff who are celebrating milestone years at Mirowitz:

20 years **Andrea Newstead**

5 years **Alex Hoffman**

About Saul Mirowitz Jewish Community School

Mirowitz is much more than a place of academic excellence. It is a place where children grow to be socially responsible, where ethical leaders are nourished, and where Jewish learning inspires children to find strength in their heritage.

Your gift to our annual Mirowitz gala makes it possible for Mirowitz to provide an education that is on par with the nation's best independent schools, one that applies the latest neurological research and technological advances to classroom methodologies. Just as much, your sponsorship allows us to cultivate a generation of Jewish leaders who feel empowered to participate in Jewish life today and to be builders of Jewish life tomorrow.
